

Donations to Missouri School for the Blind

Missouri School for the Blind welcomes donations, both monetary and goods and services. Donations are tax-deductible. Checks should be made payable to “Missouri School for the Blind” and sent to the attention of the MSB Superintendent or the office of Community Relations. Donations can be made to the school to be used at its discretion or can be directed to a particular program or activity. Financial donations of \$10,000 or more are forwarded to the Blind Trust Fund for the school’s use.

The donor will receive a personal thank you letter from the Superintendent, which can be used for income tax purposes, along with a copy of this donation form (see other side). The value of goods and services is determined by the donor.

MSB also operates ***The Giving Tree***, an annual program designed to provide clothing, books, toys and adaptive equipment to students in need. At the beginning of each school year, student needs are identified and a list of desired items is sent to participants in ***The Giving Tree***. To become a donor to ***The Giving Tree***, or to enroll a student as a recipient in the program, contact the office of Community Relations, 314-633-1562.

For more information on any of these programs, contact MSB’s Community Relations Office, 314-633-1562, or email: Patti.Curran@msb.dese.mo.gov.
